# Men's Dollars

# Buy More at Scotland Woolen Mills Co.

HE verdict of the public is the only logical basis on which to consider the merits of a Tailoring Establishment. Never in our history have we been so busy - never have we served our history have we been so busy — never have we served so many men — never have our outstanding values received such enthusiastic praise—Scotland Woolen Mills' customers come back and buy again — they have their friends come to us — surely, this record-breaking wolume must indicate that men's dollars really buy more at Scotland Woolen Mills' Stores.
